

beads::kinetic_pi

```
graph LR; A[beads::kinetic_pi] --> B[colvarproxy_tinkerhp::boltzmann]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'beads::kinetic_pi'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'colvarproxy_tinkerhp' on the top line and '::boltzmann' on the bottom line. Both boxes have a thin black border.
